MEMO

TO:

Office of the Chief Clerk

Texas Commission on Environmental Quality

FROM:

Curtis Chubb, Ph.D.

DATE:

16 June 2015

RE:

Petition for Inquiry – Petitioner Curtis Chubb

Filed 4 June 2015

The attached information is being sent to fulfill the requirements for commission review of a petition filed by an affected person requesting an inquiry into a groundwater conservation district's activities regarding management planning or rules (30 TAC Chapter 293.23).

THE OFFIS OFF

Section (e) of 30 TAC Chapter 293.23 required the following:

1. That I provide a copy of the filed petition to all groundwater districts within and adjacent to GMA 12 (my GMA) within five days of the date the petition was filed (filed on 4 June 2015).

2. Within 21 days of filing the petition, I shall file with the chief clerk of the commission evidence that a copy of the petition was mailed to each groundwater district within and adjacent to GMA 12.

The evidence that I mailed the petitions to the required groundwater districts is attached and consists of two parts:

- 1. A list of the eleven groundwater districts within GMA 12 and adjacent to GMA 12 along with their addresses and priority mail tracking numbers.
- 2. The USPS tracking information documenting 1) that the priority mail was mailed on 5 June 2015 at Milano, Texas, and 2) that it was delivered is provided for each of the eleven groundwater districts.

Thanking the Texas Commission on Environmental Quality for considering my petition,

Curtis Chubb, Ph.D. 830 County Road 330 Milano, Texas 76556 512/455-9180
